

Our Lady of Victories Catholic Primary

Welcome back!

We hope you have all had a wonderful summer. It has been lovely to see all the children back. A big thank you to all parents as the children's uniform looks great.

We welcome our new children and families starting this term. We hope they enjoy their time at Our Lady of Victories and have the best days of their lives. A new school year brings lots of opportunities to learn, grow, make new friends and have fun.

Attendance

Please could you really help us with attendance this year. Last year's attendance was not good at all and the Department of Education has asked us to improve. This is very difficult as it's up to you as parents to do this. Please don't take holidays in school time. I know it's cheaper but it really affects children's learning and friendships. We get 13 weeks holiday a year which is more than enough. Please also try and make medical appointments outside of school time. I will be meeting with families to help and support good attendance.

Please be on time for school as lessons start straight away. This also affects attendance if they are late. The doors close at 8.55am.

PE Kit

Please remember to bring your child's PE kit in a pump bag. Water bottles can be brought to school but they must have water in them only, no juice.

We are looking forward to a fantastic year filled with learning and lots of wonderful memories.

Thank you for your continuing support,
Mrs Mitchell
